STAT
STAT

[redacted] of the OS
met with [redacted] to discuss the ramifications
of the EO 11905 and the Attorney General's interpretative
guides on procedures relative to electronic surveillance.

STAT

potential problem for the OS in connection with the fact
that TSD's ACM inspections could intercept private
telephone communications. This is prohibited by the EO
and apparently also prohibited in the terms of the pro-
posed Attorney General's guideline procedures.

STAT

of our procedures in order to better acquaint him with
ACM work. He accepted this invitation and will let us
know a time of mutual convenience.
